NAD Day of Prayer for Racial Justice and Equality

On Sabbath, June 27, 2020, the leadership of the North American Division of the Seventh-day Adventist Church is asking its members, churches, ministries, and services to join in a special day of prayer for the deep hurt and frustration that racial injustice and inequity have caused in North America.

We want to ask the Holy Spirit to open our hearts and ears so we may understand and listen to our brothers and sisters, specifically in the Black American community, as they share the pain and anger they have experienced over the years. We want to ask for forgiveness, and we want to ask for compassion and strength to have the tough yet necessary conversations so our church can move forward in healing the wounds that run deep in our faith community.
